Matters Arising

1.1 Co-opting on a new councillor for Cherington. There had been 2 applications for the post one from Mr Cameron and one from Mr Granvill. It was felt that as Mr Cameron lived in Cherington that he should be co-opted on to the Parish Council. Proposed Mr Townsend, 2nd Miss Cole and Mr Mazz.

1.2 Bench for the top of Featherbed Lane by the war Memorial. It was proposed that a new bench should be purchased to replace the bench at the top of Featherbed Lane as the one that is there now has completely rotted out. Clerk will order a new one.

Planning

18/02239/FUL Marsh Farm. Stourton. CV36 5HG

Retrospective erection of building for the storage of vintage cars (replacement building)

The P.C. object to changing this building without planning permission and totally changing what was originally there by making it wider, changing the pitch of the roof and also the tiles being changed from slates. The North elevation has been changed considerably by inserting a roller shutter door and another door way, also removal of the buttresses.

18/02911/FUL Westways. Cherington. CV36 5HX.

Amendment to wall to terrace to the side of the house. To be constructed in approved brickwork with natural twice weathered stone coping.

The P.C. has on objection as long as the new wall is on the footprint of the old wall

18/02431/FUL. Home Farm House. Cherington. CV36 5HL.

Replacement of existing 5 bar gate with flood gate.

No objection

18/03088/FUL Hill Top View. Stourton. CV36 5HG

Demolition of existing house and garage, erection of replacement house and garage and all associated works.

The P.C. support this application as they feel it would be an enhancement to the village which would remove the rather ugly reconstituted stone house that is there now and replace it with an eco-friendly house. It will also reinstate the old historical boundary of the site.

A.O.B

2.1 Mr Day attended the meeting and reported that the locked gate on the C class road has been removed and placed at the far side of the buildings where historically the C road ended. However, the fencing has narrowed the road to about 20 ft where it had always been 30 ft as this allowed for a turning space for cars. This road has been a public right of way set at 30ft since 1805 and the P.C feel that it should be kept to this.

2.2 Mr Parker brought up that he is adamantly against the building of affordable housing in the Glebe Field. There followed a heated discussion about where else they could be sited. It was felt that this should be discussed further at another meeting.

Date of the next Parish Council Meeting 21/01/2019

Meeting ended at 9.35 p.m.

Signed Sara Cole (clerk)
